

Bill Grosse was born and raised a Presbyterian in Cincinnati, Ohio. Graduated from Univ. of Cincinnati in 1960 after interrupting engineering college for 4 years of service as a Navy pilot. Spent a U.S. government career of 8 years at the U.S. Public Health Service Taft Sanitary Engineering Center in Cincinnati, followed by 22 years in Washington D.C at the U.S Environmental Protection Agency. Took early retirement in 1990 to return to Everett, home town of wife Mary. Built a house on Lake Stevens, where we had summer visits with Mary's parents while our 3 daughters were growing up. Hooked, they moved west before we retired. Now we're all together again. Joined First PC in Everett in 1992, where Maurice Klein made sure I had no idle time. Elder of some 40 years, First PC treasurer for 15, NPSP treasurer the last 3. Other volunteer activities and 8 grandkids preclude boredom. Blessings abound - and life is good!
